Admiral King is a kaleidoscopic parade of natural talent and developed ability, both etched sharply into a progressing school. The following pages reveal a special breed—a great concentration of origins in a comparatively small area.

**When We Strive,
We Achieve**

It is this great concentration that gives Admiral King its character not as a cross section, not as a denominator but rather as a kind of show window where accomplishments tilt lances toward a ship "of Admirals" sailing into the horizon.

CLASSES

FACULTY

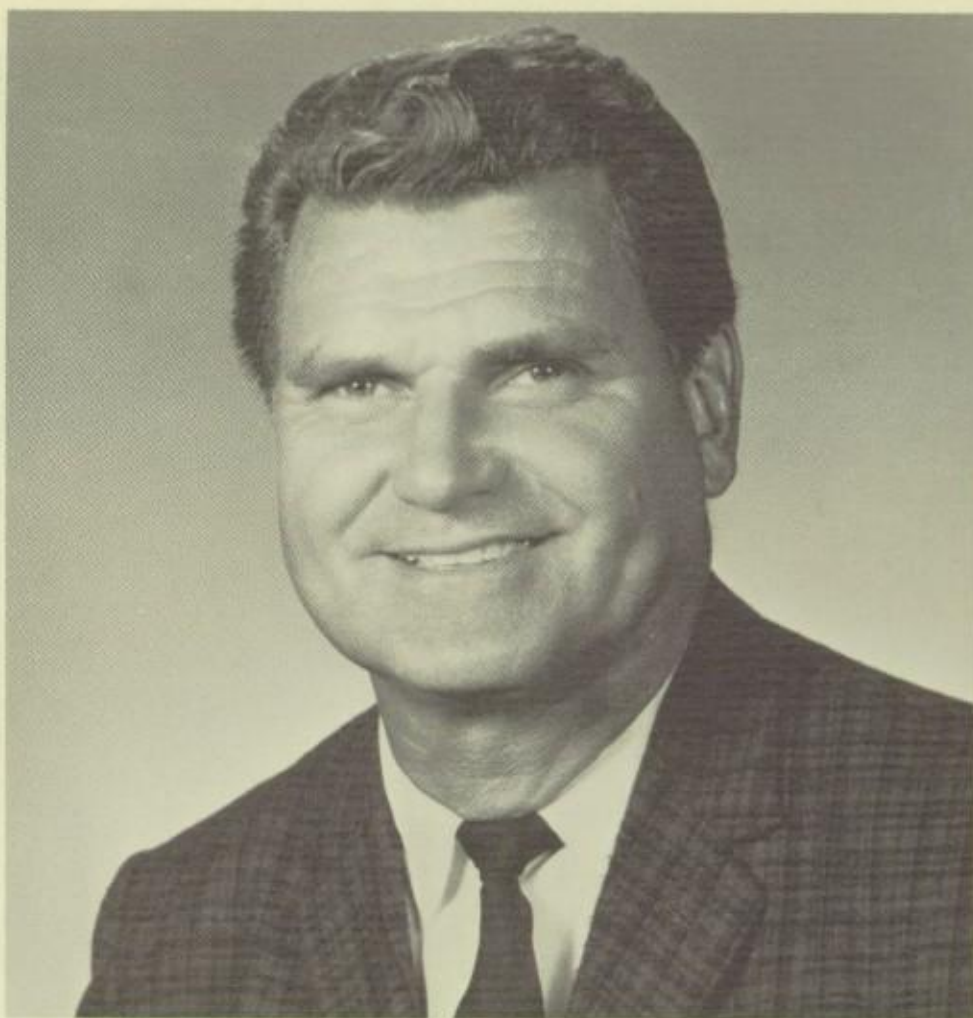

Congratulations to the Trident staff and advisor for another fine yearbook and to all the students, faculty, and administrators for contributing to the welfare of an excellent high school with cooperation, enthusiasm, and loyalty in a most difficult year. The creativity, imagination, and dedicated effort have produced again a yearbook that will give considerable pleasure to all who possess and read this fine publication.

To produce a yearbook of the caliber displayed within these covers demands from many people involved a conscientious dedication of effort, and it could definitely be called a "labor of love."

I can honestly congratulate with considerable enthusiasm the publication staff for the energy expended which was far above and beyond the call of duty.

I know I speak for all the students, parents, teachers, and administrators in saying thank you for a job well done.

Dr. J. F. Calta

DR. JOSEPH F. CALTA

LORAIN CITY BOARD OF EDUCATION

RICHARD ACKERMAN—Principal

Due to extensive injuries, I was out of school for over four months this year. Believe me, missing school was almost as difficult as recovering from my accident.

During my recovery, I was kept apprised of activities at King, and, as I knew would be the case, the great majority of you continued to do the things that bring respect to you, your school, and your community.

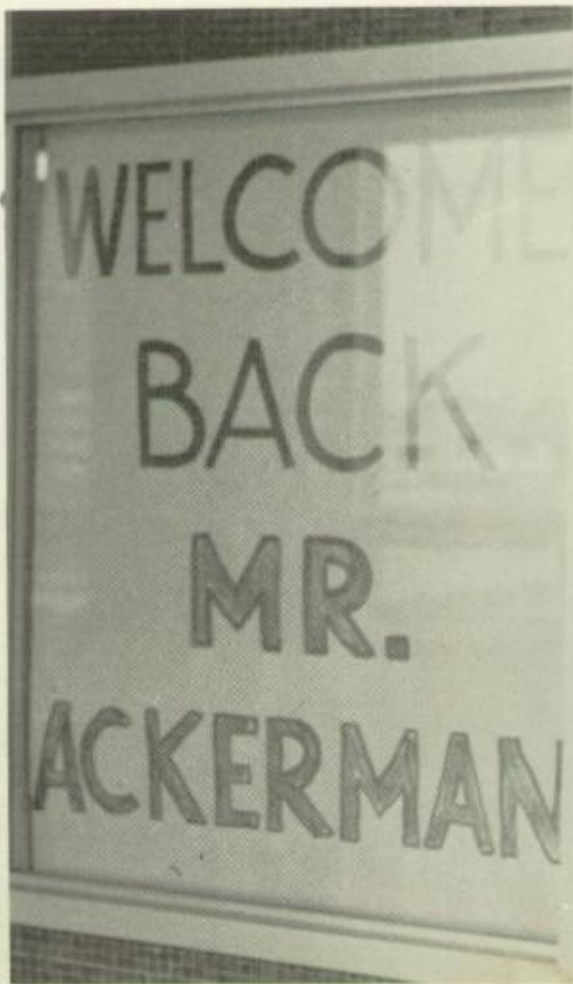

To those of you graduating, let this not be the end, but, rather, the beginning of a full and rewarding life.

To those of you going to Southview, take pride in your new school, and work to make it as fine a school as you can.

As always, it has been, indeed, a pleasure to know you and to work with you.

Memorial to Al McConihe

Sportsmanship—an important facet of every man's life, especially if he is an educator and a coach.

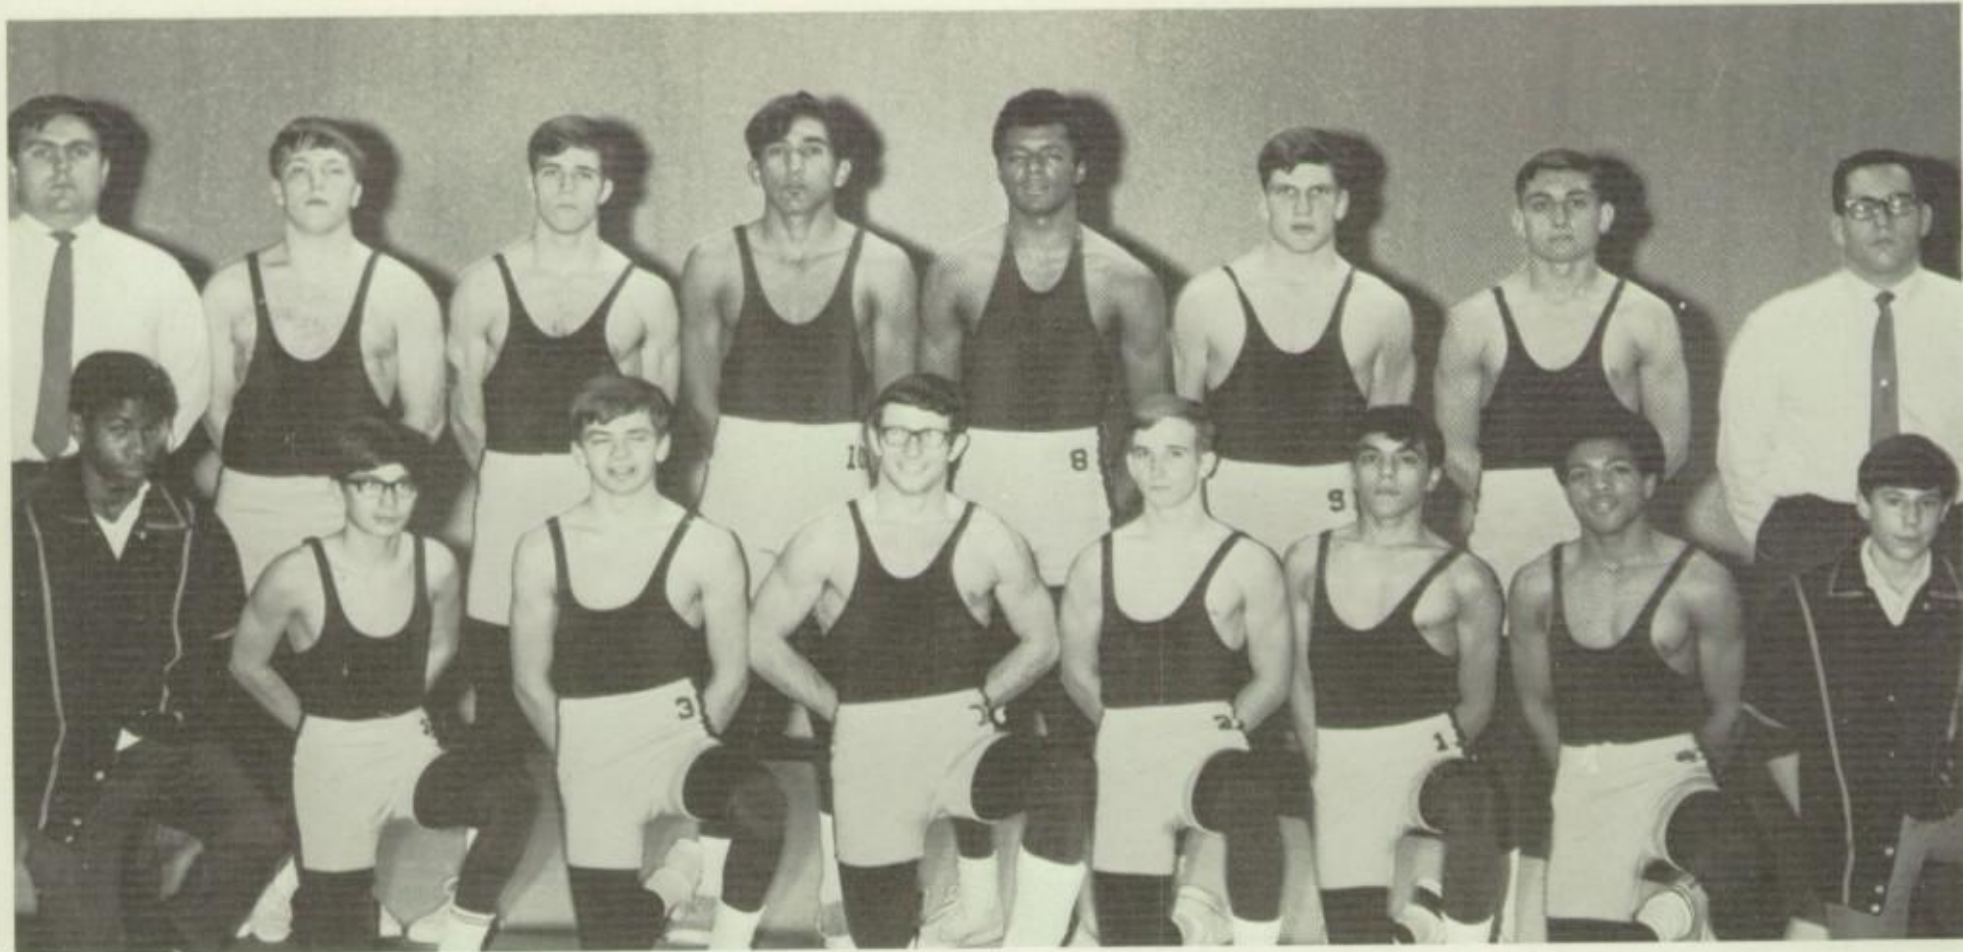

In the classroom, Al McConihe stressed sportsmanship through learning. Honesty in education prepared one for true sportsmanship in solving life's problems.

His many basketball teams displayed his talent for basketball and sportsmanship. Winning was important, but so, too, was the way in which the win was accomplished.

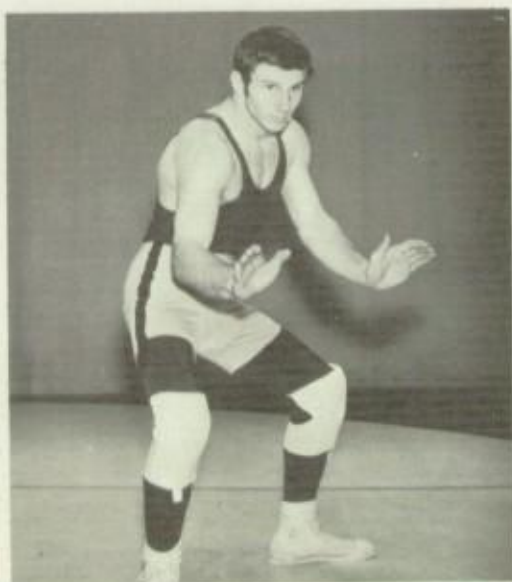

As a man, Al McConihe was respected for his genial manner, too. His warm smile and warm manner were displayed many times in his classroom. These same qualities were displayed to his fellow teachers and to his friends.

He was devoted to his students, to his athletes, to his school, and to his fellow man. All this devotion centered around sportsmanship—a principle he strongly advocated.

Sportsmanship—the key rule in Al McConihe's teaching, coaching, and living.

The story of the Admiral King High School Wrestling Team this season was one of constant improvement. After a slow start, the team finished with a Fourth Place in the Buckeye Conference and a Third Place in the twelve-team Sectional Tournament.

The Buckeye Conference was highlighted by Joe Dembeck's 6-2 win for a first-place gold medal. Other place winners were Charles Wenger and Dave Harris, Second Place, and Herb Jacoby, Third Place.

One week later the Admiral King grapplers went into the Sectional Tournament. At the end of the two-day affair, five men had qualified for the district tournament, all taking second places. These men were Aubrey Carde, Dave Pijor, Charles Wenger, Joe Dembek, and Dave Harris.

Operetta

"Mr. Wonderful"

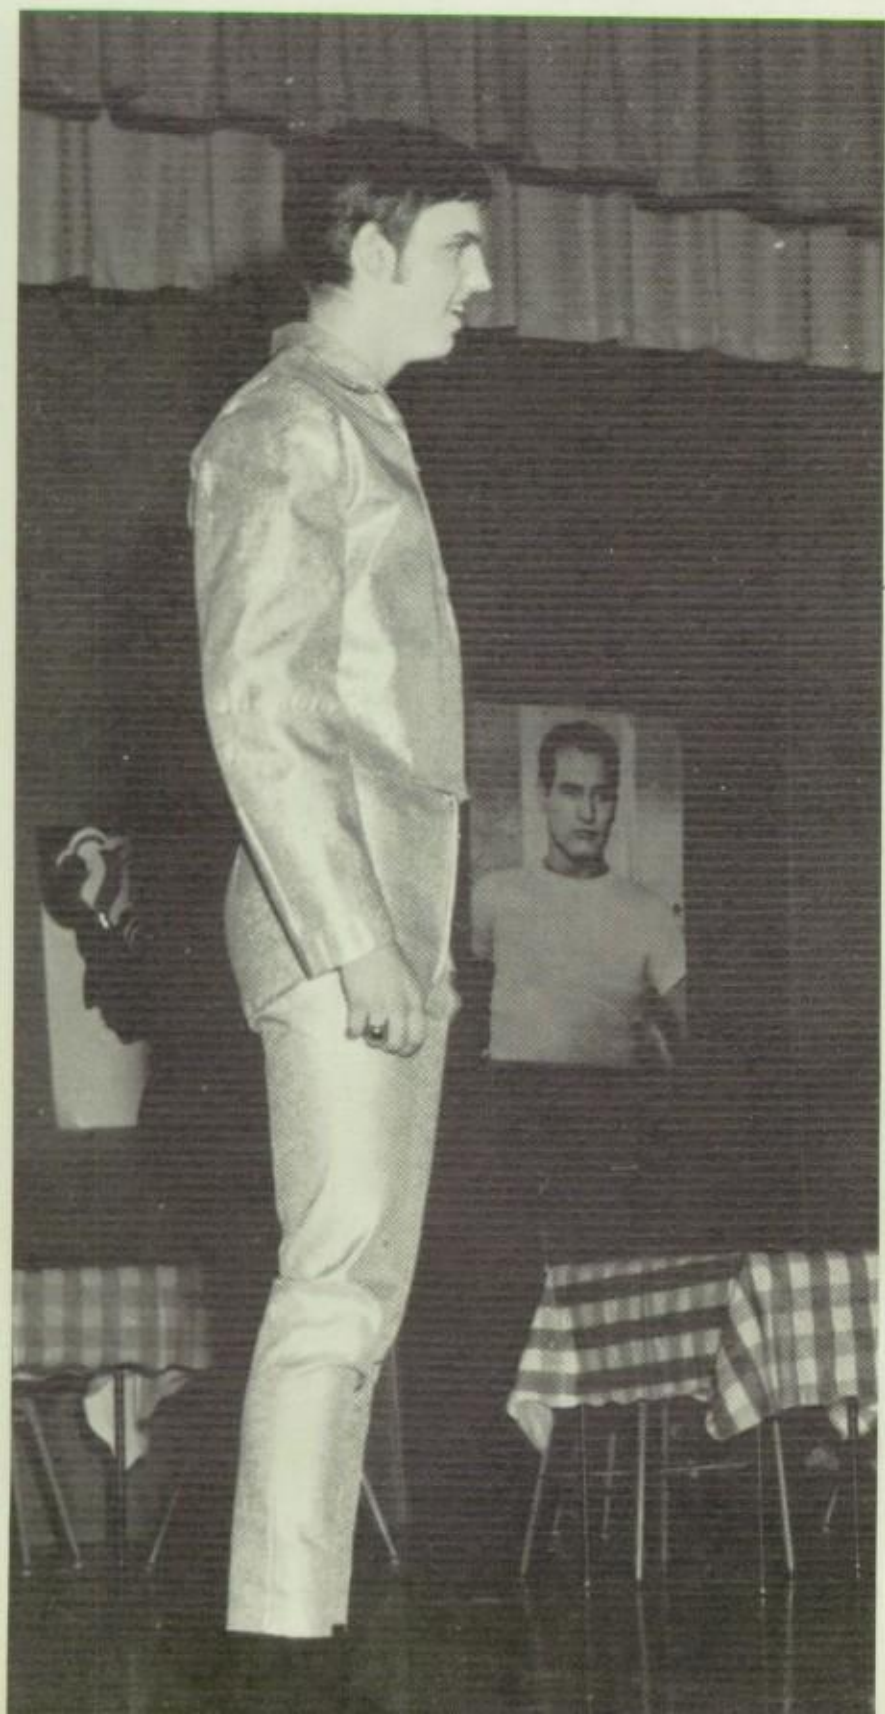

The lilting tunes and spirited lyrics of Gerry Bock, Larry Hofofcener and George Weiss transformed a mundane evening into a "wonderful" experience as the talented Concert Choir presented "Mr. Wonderful" on November 15 and 16.

The well-chosen chorus combined clear voices and rhythmical dancing which supported the leads.

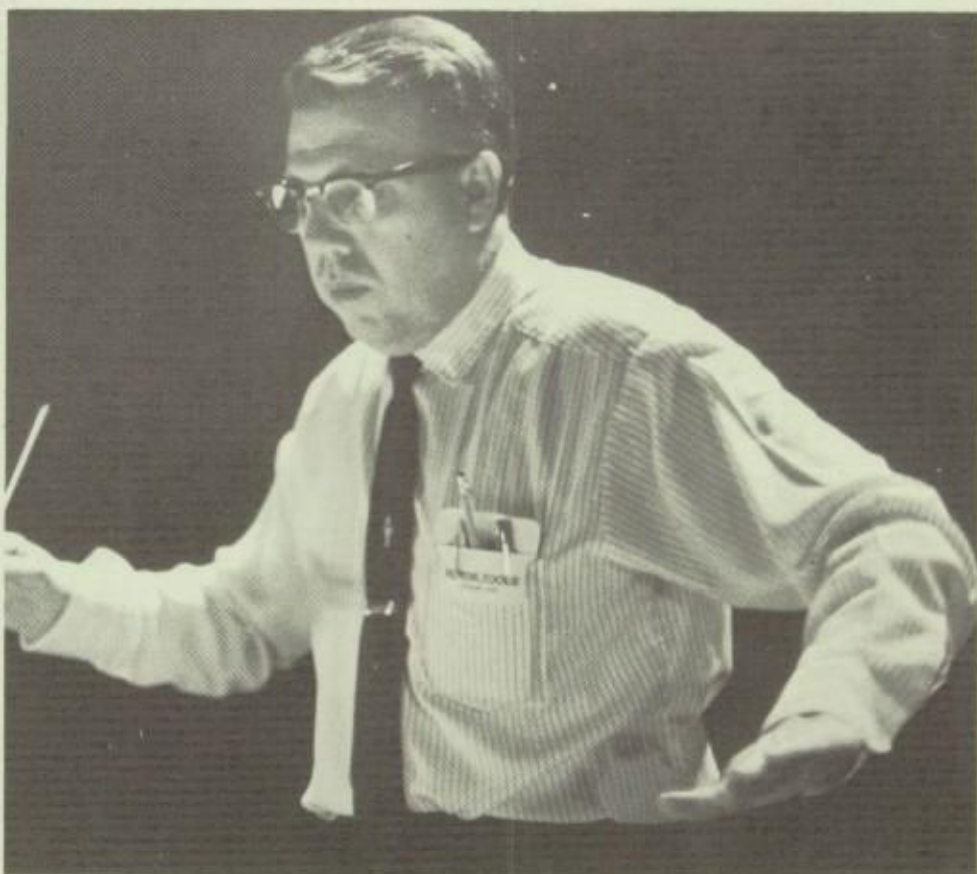

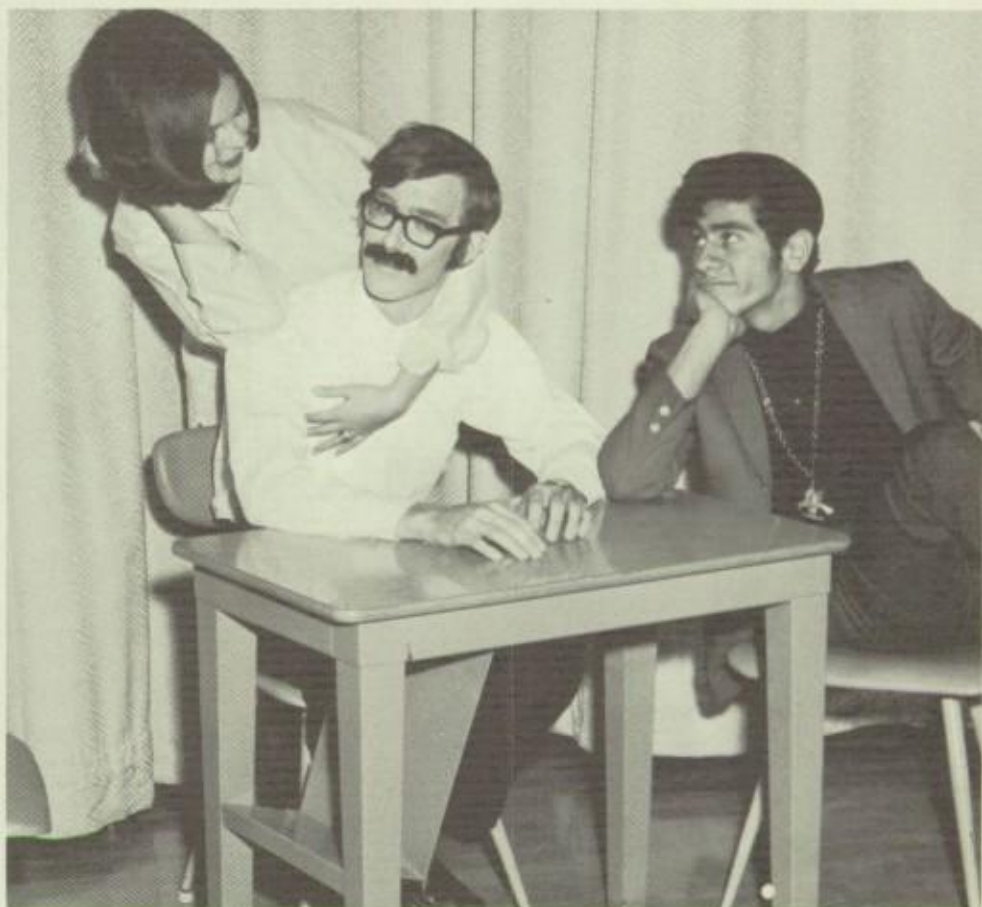

Brian Holloway professionally created Charlie Welch, an entertainer content with playing second-rate cafes. However, his appealing girlfriend, Ethel Pearson (Corinne Loboda), and two close friends, the talented Campbells, Lil (Nina Lepkowski) and Fred (Jerry Rizor), have other plans for Charlie.

A well-known producer, Mr. Foster (Ken White), is pursued by sexy Rita Romano (Becky Shlapak). Fred also pursues Mr. Foster until Charlie is offered a job at the Palm Club in Miami Beach. Charlie refuses the job because he lacks confidence.

Disappointed, the Campbells and Ethel leave for Miami and their new souvenir shop. They are soon joined by Charlie. Reunited, he performs successfully at the Palm Club.

Speech Team

The Admiral King Speech Team with Mr. Bakalar as coach witnessed the best year ever in the history of the school. Members traveled to Euclid, Midview, Vermilion, and Massillon, winning honors at all of them. Upon taking ten qualifiers to the District Speech Tournament at Midview, Mr. Bakalar saw six speakers from King win places and travel to Columbus for State Competition. Corinne Loboda, Oratorical Interpretation, placed 1st at the District Tournament and 3rd at the State Tournament; Beth Essex, Girls' Extemporaneous, placed 1st at the District and 7th at State; Barbara Brown, Original Oratory, placed 1st at District and 5th at State; Kathy Nicoloff, Humorous, placed 1st at District and 5th at State; Kay Kretoivics, Girls' Extemporaneous, placed 2nd at District; and Joe Goldberger, Boys' Extemporaneous, placed 2nd at District.

"... and move this suitcase to the left. Now Joe can sit back here."

"Uh, Mr. Bakalar, I regret to inform you ..."

THESPIANS' OFFICERS: Carol Epstein, secretary-treasurer; Buddy Jaworski, vice-president; Nina Lepkowski, recorder; Beth Essex, president.

Miss Davis, the Thespian advisor, sometimes uses the halls for last-minute rehearsals.

Thespians

THESPIANS *Bottom Row:* Nancy Mitoff, Buddy Jaworski. *Second Row:* Carol Epstein, Nina Lepkowski, Sue DeTillio. *Top Row:* John Domansky, Beth Essex, Denise Fundak, Kathy Nicoloff.

Under the leadership of Beth Essex, Thespians became involved in the world of drama. Four one-act plays were directed and produced by Thespian members. These ranged from a moving Christmas play to a light-hearted story set in the Ohio backwoods.

The Admirable Crichton

THE CAST

<i>Crichton</i>	Tony Cataldo
<i>Lady Mary</i>	Charlotte Bartos
<i>Lady Agatha</i>	Corinne Loboda
<i>Lady Catherine</i>	Cathy Nickoloff
<i>Lord Loam</i>	Dave Loboda
<i>Ernest</i>	Dave Hare
<i>Mr. Treherne</i>	Ralph Jaworski
<i>Eliza (Tweeny)</i>	Mary Jo Gyorfi
<i>Lord Brocklehurst</i>	Mike Romick
<i>Lady Brocklehurst</i>	Sue De Tillio
<i>Fischer</i>	Denise Fundak

On April 25 and 26, *The Admirable Crichton* was produced on the Admiral King stage, under the direction of Miss Marilyn Davis and Sue DeTillio. Written by James M. Barrie, the play is a satire on man's role in society. According to Crichton, the butler, every man is either a leader or a follower, depending upon the environmental conditions in which he finds himself. The purpose was to show that in any civilized society there will always be a master and servants because it is natural and whatever is natural is right.

There's more to the production of a play than meets the eye.

If you could see what Buddy sees ...

The work that goes on backstage is just as important as the play itself.

"I can't find it! Are you sure it's in here?"

At this month's tea, Agatha and Catherine are in charge of serving refreshments.

"You have given your warm young heart to Brocky?"

"An excellent soup, Polly, but still a trifle too rich."

"We are the sole survivors of Lord Loam's steam yacht, *Bluebell* ..."

Every month Lord Loam entertains his servants and treats them as his equals.

"I am glad to see you looking so happy."

"Wrecked, wrecked, wrecked! on an island in the Tropics ..."

Following the shipwreck, Mr. Treherne was in charge of building the hut.

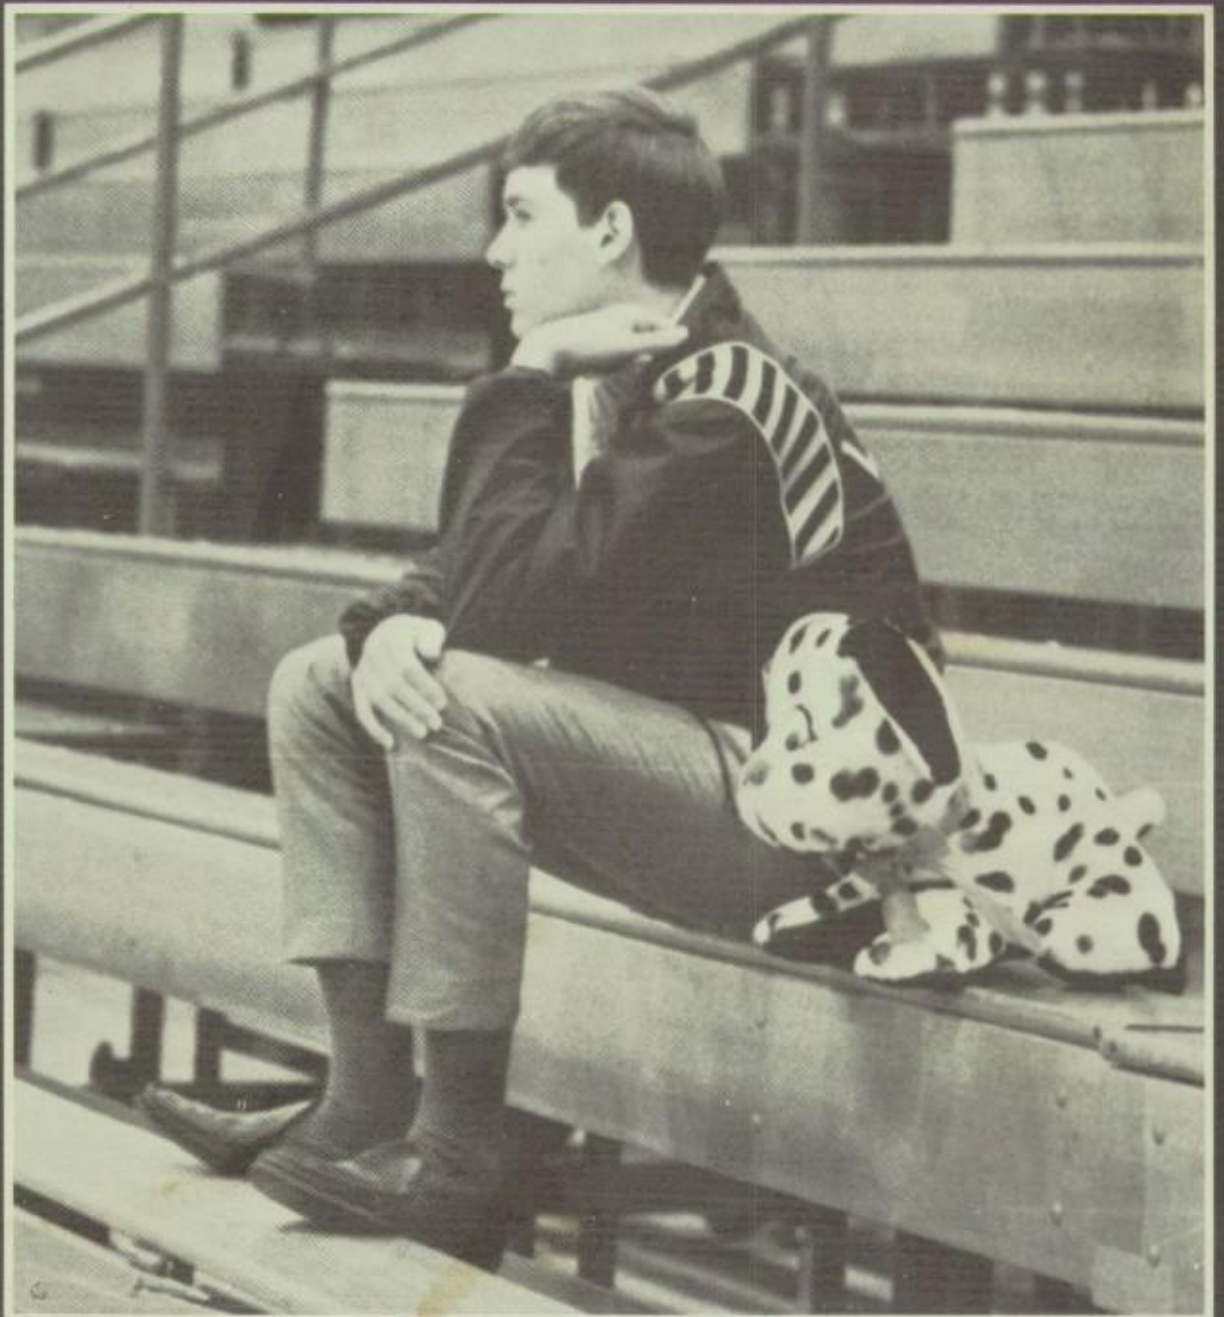

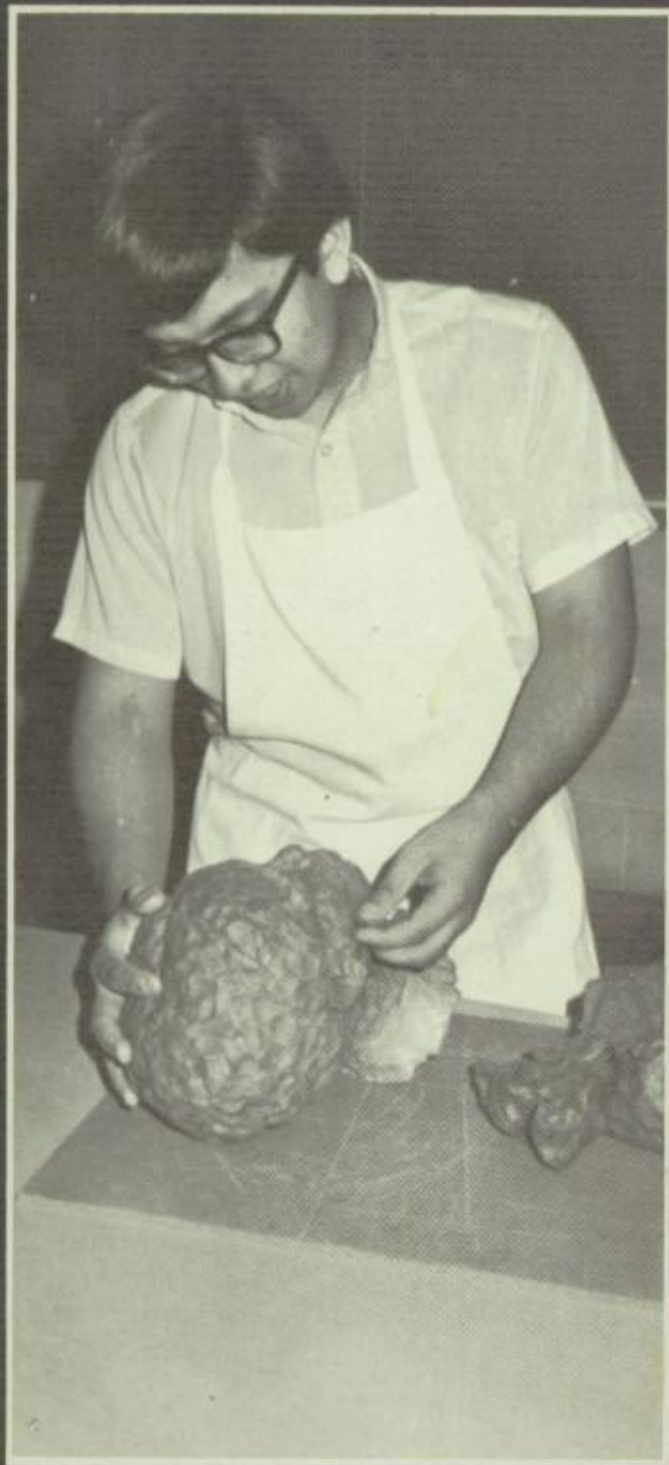

"In conclusion, we most heartily congratulate the Hon. Ernest Woolley."

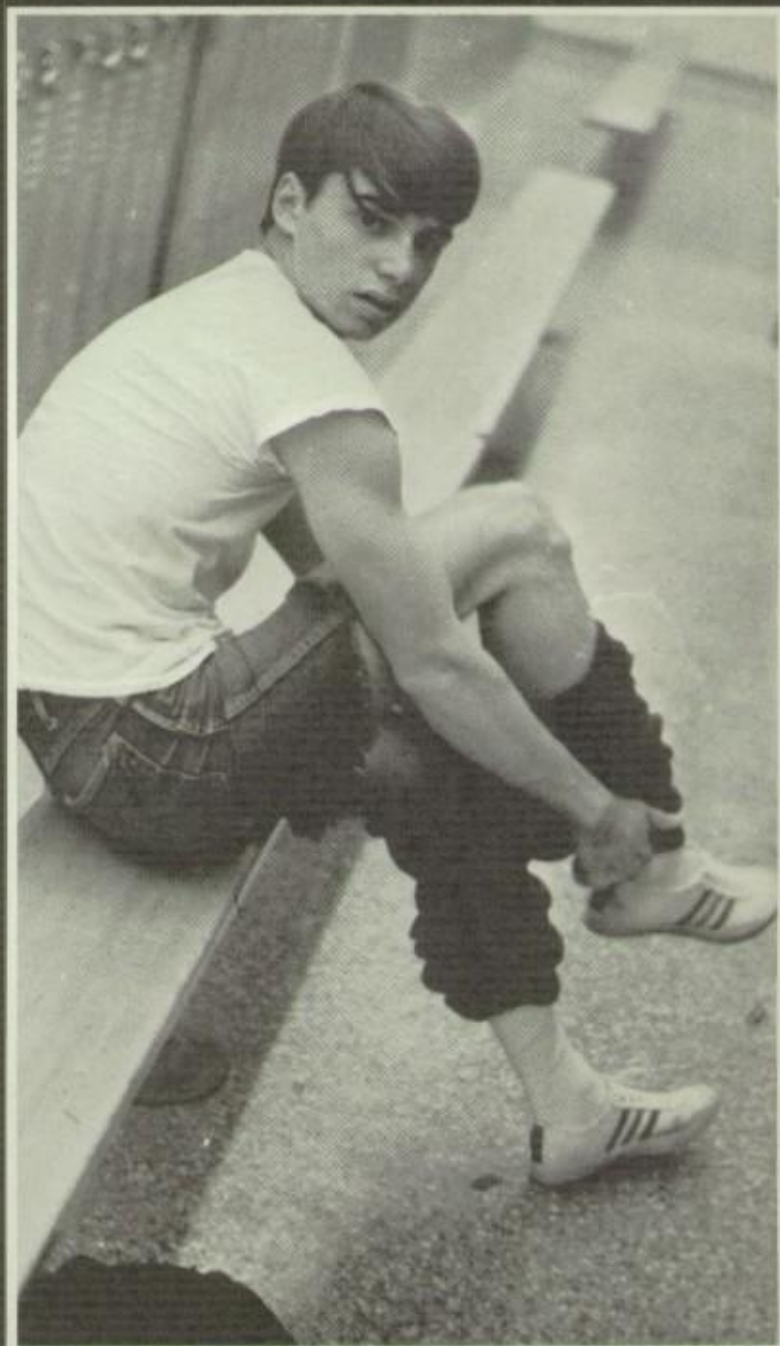

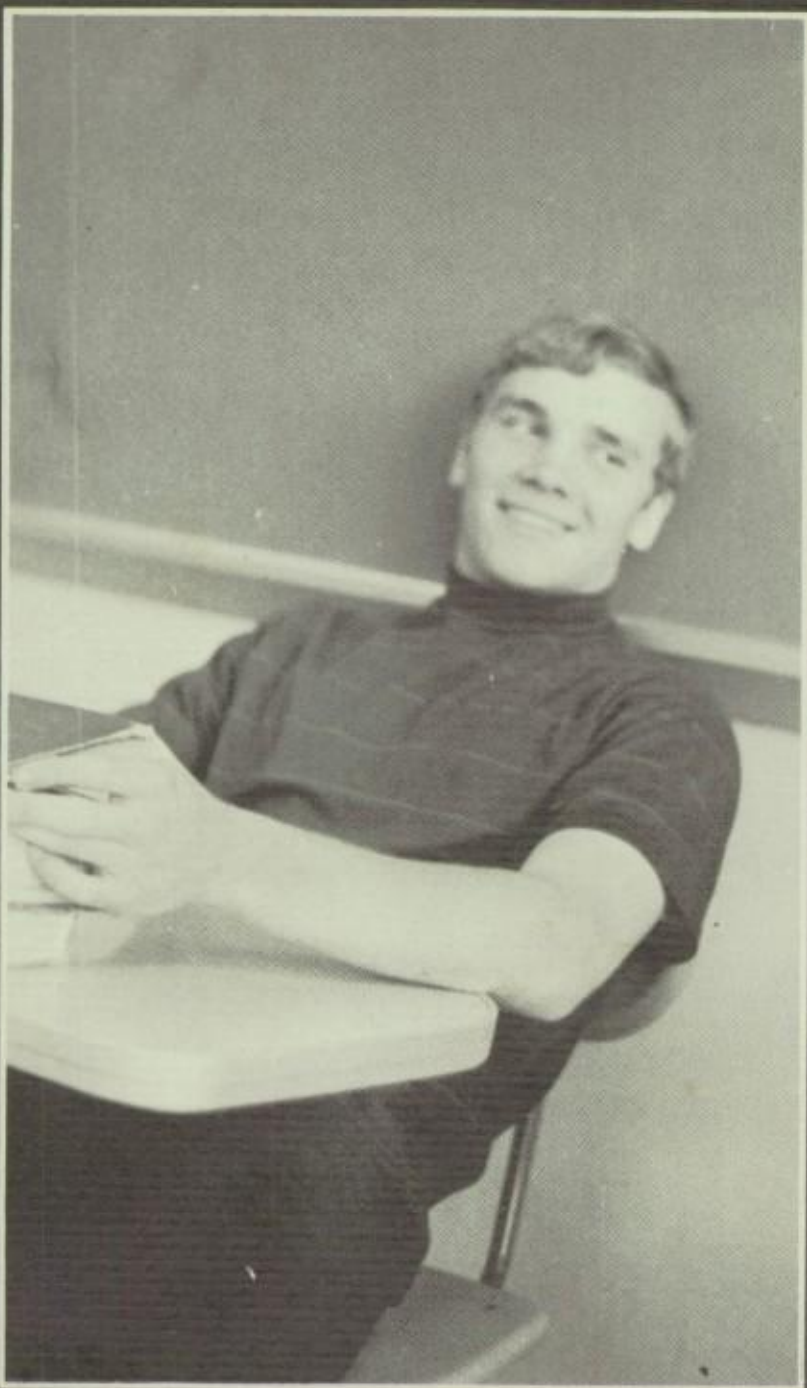

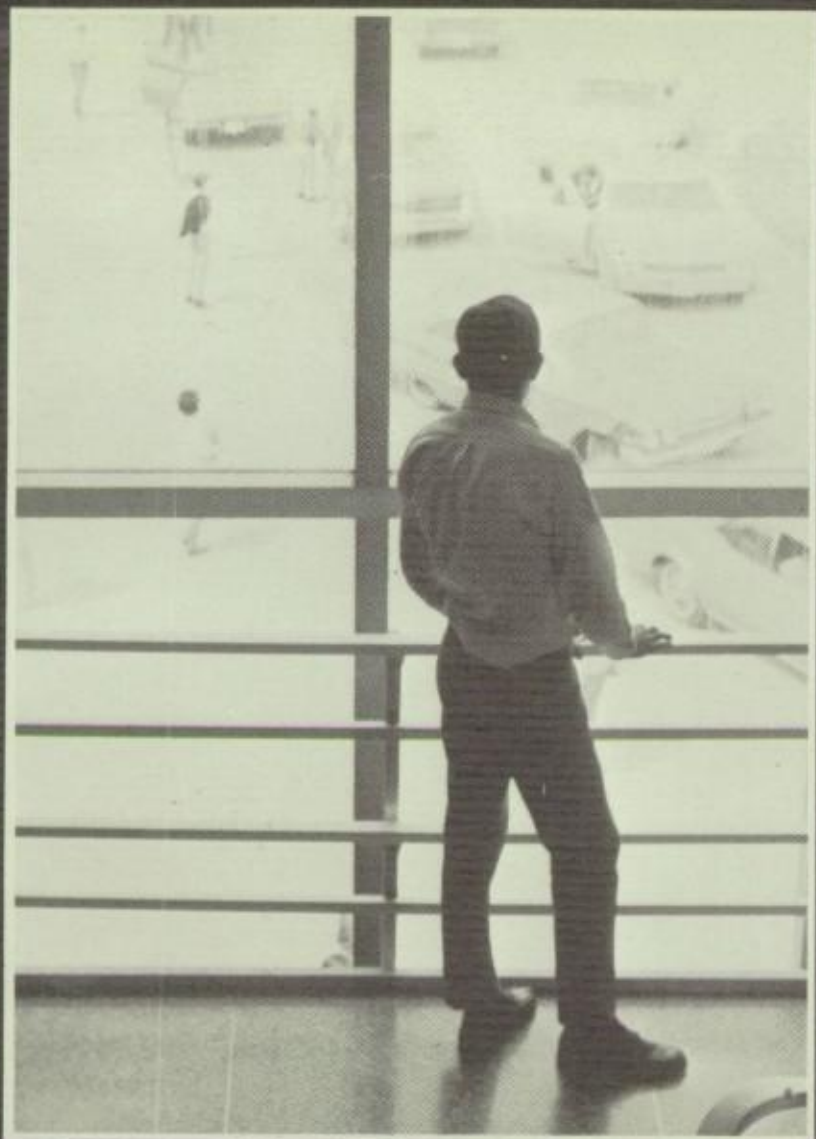

CANDIDS

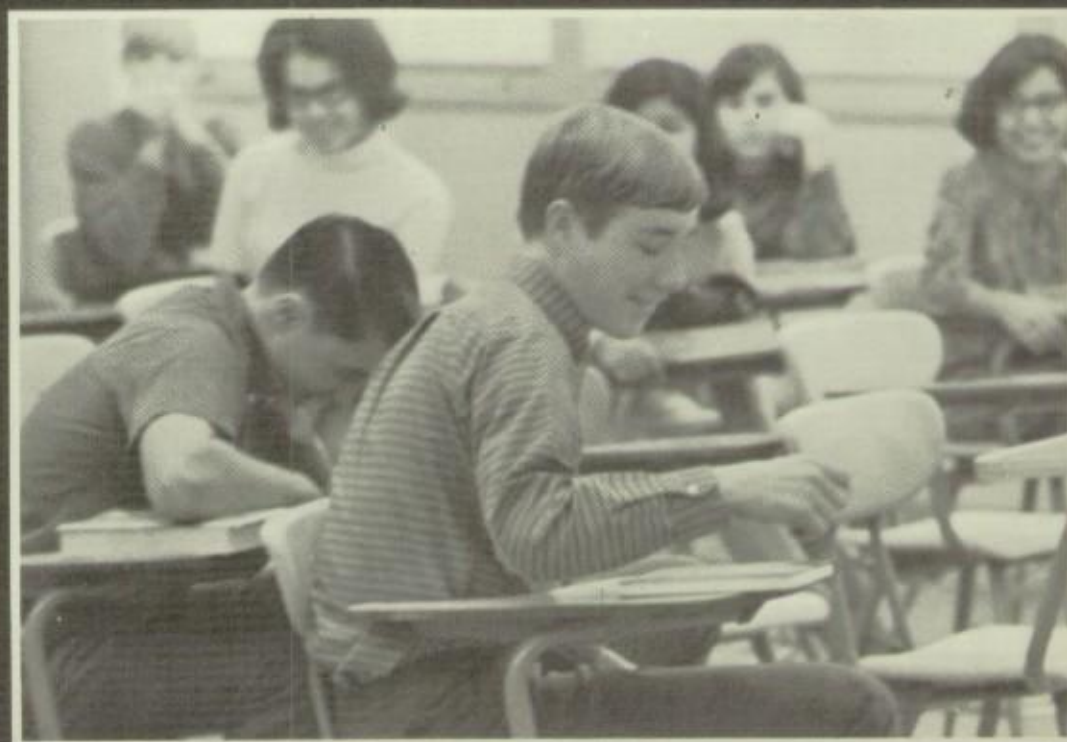

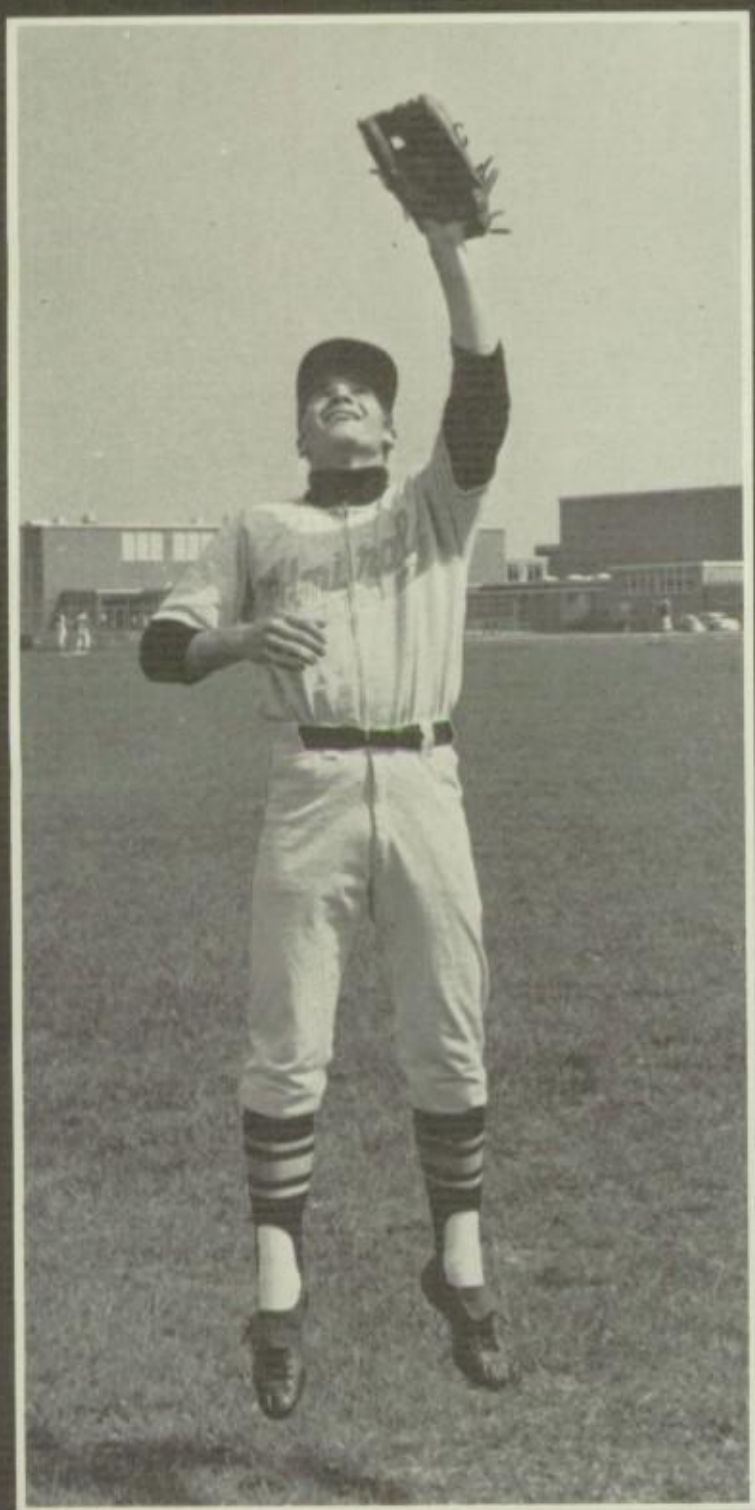

Scenes of A.K.H.S.

This special section of the *Trident* is made up of candids which picture daily life at King. Having been caught off guard, the students present a very real picture of what happens in the course of a normal day in school.

Through the 400 patron and 600 regular members, program advertising, and numerous fund raising projects, the Booster Club promotes and supports athletic events and non-athletic activities in the school.

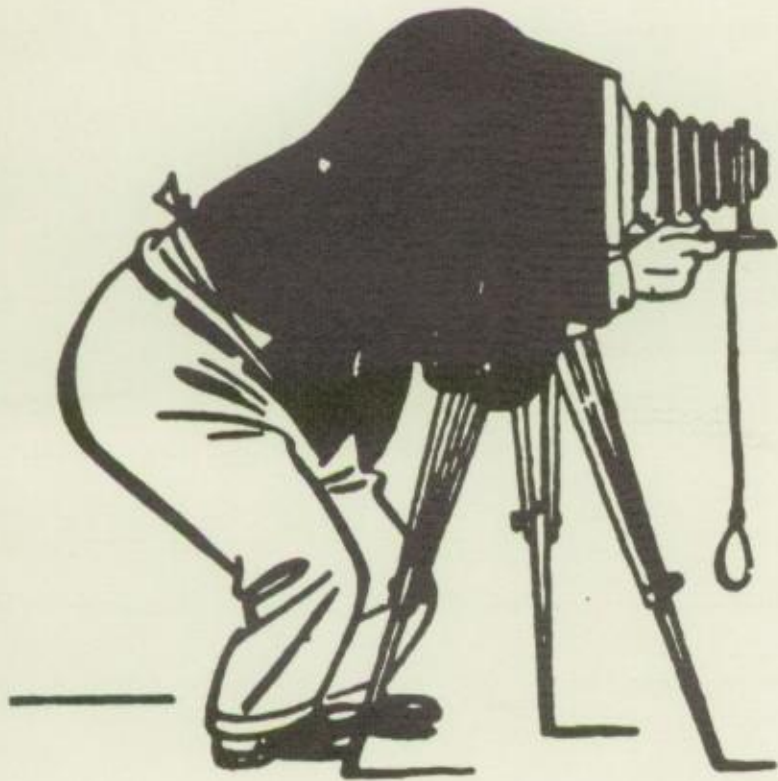

The recent biggest undertaking was the purchase of the Ten-Station Universal Body Development Machine which will be used by the entire student and adult enrollment throughout the school year. The large expenditure for the machine was shared with the school athletic fund.

The Booster Club officers appreciate the efforts of the members and loyal advertisers for making the purchase of the body development machine possible.

Alma Mater

Hail to our colors, gold and blue;
Hail to our Alma Mater true;
Throughout the years we shall stand by
with pride we'll keep your standards high.
The values we established here
will make our mem'ries ever dear.

Oh, Admiral King, so strong and bold,
our endless love can ne'er be told.
The light that you created here
will be a beacon through each year
and bring us always home to sing
the glory of our Admiral King.

Tune: "Navy Hymn" Lyrics: Marjean Ross
